FACTS ABOUT UNITED STATES CURRENCY AND COINS

PAPER CURRENCY

There are three kinds of paper currency which can be quickly identified:

Silver Certificates*	Blue Seal and Numbers
United States Notes	Red Seal and Numbers
Federal Reserve Notes	Green Seal and Numbers

*On June 24, 1968 the Treasury Department stopped redeeming Silver Certificates in silver bullion or coin. Advance notice of this step resulted in a rush by holders of such certificates to convert them into silver before that date, thus practically removing them from circulation.

On Federal Reserve Notes the letter in the circle at left of the portrait indicates the location of the issuing bank:

A Boston	E Richmond	I Minneapolis
B New York	F Atlanta	J Kansas City
C Philadelphia	G Chicago	K Dallas
D Cleveland	H St. Louis	L San Francisco

On all three kinds, in each denomination, the portraits on the front and engravings on the back are the same.

Denomination	Portrait	Back
$ 1.00	Washington	Great Seal
2.00	Jefferson	Signing of the Declaration of Independence
5.00	Lincoln	Lincoln Memorial
10.00	Hamilton	U.S. Treasury
20.00	Jackson	White House
50.00	Grant	U. S. Capitol
100.00	Franklin	Independence Hall
500.00	McKinley	Ornate "500"
1,000.00	Cleveland	Ornate "1000"
5,000.00	Madison	Ornate "5000"
10,000.00	Chase	Ornate "10,000"
100,000.00*	Wilson	Ornate "100,000"

*Used only in transactions between Federal Reserve Systems and Treasury Department.

COINS

Mints are sometimes, but not always, identified by marks on coins:

P Philadelphia D Denver S San Francisco

Five Coins are minted in the United States:

Denom.	Produced in 1985	Denom.	Produced in 1985
1¢	10,935,889,813	Quarter	1,295,781,850
5¢	1,106,862,408	Half-dollar	38,520,996

The Adobi Muse has a reading on april 30th 95 @ Outwrite BOOK STORE
We are being given an hour for performance.
We plan to do about a 45 minute performance with a 15 minute Question & Answer session
We are hoping that this being our formal introduction to the Atlanta Gay community that we will knock them dead.

Saturday we will spend a large part of the time going over our Performance for Sunday

We're also scheduled to have a young man interested in financing us, sit in on Sat. → I have not discussed this matter with our Advisor or P.R. person yet but I think it would be best for him to attend our performance on Sunday

Tony ← Included for Life → Trey (Samus) (Duncan)
Byron
David-Michael
Richard
Kelly

Let the show in sets the flow → let one lead into another.
Keep the flow constant, and the pace as well.

Body tired weak and worn

Mind flooded with emotions, thoughts, dreams and a constant influx of ideas about the future (as if I have much of one)

Where? Did you come from I placed an ad asking for BIPOC, Gay, writers to respond. You did
Why? You either Wanted to form a writers collective You helped
How? You play so calm? Needed someone to be with me, to hold me, You came

Cant really drop guards and trust.
Cant disregard this energy that travels through us
This bond that we Brothers so rarely experience with one another
Days turn into wks and you're still here, still attentive, concerned, loving and a friend
Keeping our desire alive, our passions burning and our sex hard
Uncovering secrets, trying boundaries, creating mystery for our own amusement

And when he could say nothing, with so much emotion screaming for release; He did what he did best, he let his body give the emotions he could not confess.

What can be done to regain one's sexuality confidence?

I do miss him, especially his sex → It was absolutely fabulous to me. He is no longer here and will never actually be an integral part of my life.

Yet he has shaped so much of what I am.

Damn, I want to know real passion again. I wanna be excited on all levels. I want to want to be with a brother so bad it hurts. Have him fill my mind with his presence without overwhelming me

These issues we face as Black, Gay men are unique and particular to us. But it is time out for excuses for not being men. We have so many people trying to define us and not a loud enough voice [redacted] or beliefs in ourselves to set the standard.

We are a people under seige; by racism and homophobia (both internal, and institutional), violence, AIDS, and SILENCE

We have excuses for everything, and all to often we want to say the being Gay is often the crutch we lean on. Well you're more likely to be discriminated against on the basis of color than sexuality. The real problem is positive self image, or shall we say the lack of positive self image among Black Gay men. We seem to constantly take a back seat or in situations where we make the most impact. In the home (WITH FAMILY), in the church, and in a lot of instantances on the workplace.

All based on Religious Rhetoric that our lives are invalid because we dare to Love each other. This notion that same sex unions are not only invalid but immoral and a sin has been used by society @ large to keep us subdued and in a mode of second class citizens. Without a place or voice.

The collective gave its first reading tonight @ OUT WRITE Bookstore & Coffee House. I was very pleased with the groups performance as well as the turnout. We have a very eclectic crowd (lesbian, black & white gay men), and we were received well.

Please contact DAVID-MICHAEL and ask him to send a card to OUT WRITE thanking them for receiving us so warmly. We HOPE that they invite us back to perform again in the future.

(TONY DANIELS, Jevel Cooper, BYRON MASON, DAVID-MICHAEL Searcy, KELLY MORRIS, RICHARD JONES, Ronald LAYNER, James McKissic, David Michael Searcy)

Doug Jones - a writer himself, who happens to be on staff @ VENUS magazine wants to do a feature story on us in one of the up coming issues of the magazine. We targeted June for the interview - after we return from D.C. and our performance @ BLACK GAY PRIDE.

The feeling, in feeling as I write this synopsis of our performance and the evenings events is a period HIGH. I am so ecstatic about the way the group is moving forward

Each member can submitt names and addresses of persons they feel will be good and loyal supporters of the collective. They can also be our mail in critics. Mailing in comments on our performances. Just as soon as you get the phone on call Car Rental agencies to find out rates for renting a mini van to DC. Call Byron and let him in on the happenings. Call DC talk to somebody other than Willie if necessary. Ask for suggestions to lead into individual pieces of work?

June 6 95

Today is exactly one week since I flew back in from my memorial Day visit to D.C. It was my 2nd time flying, my first being the trip up. Needless to say that flying was not the experience I thought it would be. I felt better, enjoyed the scenery much better than if I had driven. It fascinated me to no end. I should have asked to see the cockpit. It would also have been nice to have some type of guide to what I was seeing. I arrived in Virginia (D.C. DULLES) on Wednesday afternoon around 3:00pm, having left Atlanta around 12:00noon and stopped in Raeligh, North Carolina. The airport is quite a ways from downtown D.C. I called Willie to say I was in town and to get Deverral phone #. I called Debra and got instructions on how to get into town. It took me almost 2 hours to get downtown and my luggage was giving me hell (I forgot my wheels), and of course I overpacked. I took the Washington flyer into downtown transfered to the Red Line and got off @ the infamous DUPONT CIRCLE. I called Deverral and he came and met me.

[redacted] [redacted] [redacted]

Wednesday was a day of rest except for dinner @ Fadruchers in Virginia with Bobby Solomon. That turned out to be so cute. Bobby has changed so much, and all for the better. We reminisced about DAQ and our diver back in Atlanta, we really had a nice time. Thursday I spent the day @ Dawnah house doing nothing, but watching TV and cleaning. I was supposed to go to class with Dawnah, but he was running late and couldn't stop to get me without being late so I cooked dinner, and cleaned the kitchen. Threw out some leftovers that had taken on a life of their own, made chicken and Cornbread. Thursday night an aquaintance of Dawnah's ~~[illegible]~~ arrived @ Union station where we picked him up. (Ron). We later went out to the Bachelor's Mill. Of course it was crowded and it was start for the weekend. There were faces there from some years gone by, some that I didn't recognize and others I knew from seeing them on T.V. Of course the Children from Atlanta were in town, if the kids from nowhere else were there, the kids from Atlanta were there.

[redacted] [redacted] 5 [redacted]

Friday, I had planned to go and ~~spend the~~ day downtown. That morning I decided not to. It got pretty hot so I'm glad I didn't, however things @ the house were different. DR. Ron ended up in the bed with me after Durward left for work. I knew it was coming. Her hands went to roaming everywhere. Needless to say she was truly surprised. The rest of the day I gave here one drama after the other. Including the fact that I have AIDS.

Flyers

MAGNOLIA BLK theatre festival

Byron Mason } in attendance for the
Richard } meeting
Tony Davies }

There will not be another meeting until July 14th due to Pride being the end of the month. We've decided to run ads in the creative Loafing, Etc. and Southern voice (weekly) until that time to boost membership in the MUSE. The focus being to attract performance artist, dancers and singers.

We will be open to performances if we should receive the opportunity. However we all agreed that the group needs to be anchored and our niche within the arts community solidified. Therefore we will be concentrating on performance aspects of the Muse.

We agreed that there will be a fee of $5.00 a month from each active member - or to remain on the active roster.

Need to get the mailbox set up -

FEBRUARY 5 WEDNESDAY

1992 36th day — 330 days follow

Baby when I tell you it was hot, it was **HOT**. The place is Albany, Ga., that's southwest Georgia. Hot and humid, air so thick you could slice it with the back side of a butter knife. Flatlands and swamps, nothing to deflect heat, but plenty to hold it.

My name is TONI, but everybody calls me Butterfly. You can interpret that anyway you want, but you know I must set the record right. I was given that name by a man who was on his way to Florida from Macon and stop off here to visit an old College friend who settled here. His name was John Earl. Tall dark and HANDsome. Yes he was. John Earl said; "boy if you don't come here and talk to me", Of course I blushed, "and you might as well stop trying to pretend you're shy". That's when I launched into my routine. Why how are you me John Earl, I'm TONI, and I extended my hand for a good old Southern Shake. "I see you've done your home work - My mother says the early bird gets the worm. Our hands met and electricity shot through our bodies like

steam after a rain on a dog day in August.
"Oh is that what you after?"
"You can assume what you like!" not liking the tone and intention of that remark & already angry for battle
"Fiesty as hell, aint you!? he replied."
"What I would like is to welcome you back to the good life city."
"You have done your homework."
"I've never known ignorance to make anybody prosperous." Start Here
"Well, you're a regular social butterfly, aint you." I turned to look into his eyes while placing my ass firmly on the face of the bar stool closest to his. "Butterfly", I like the way he said that.
"Oh, you like that name?!" he seemed to be excited that'd he'd found something that amused me.
"If you smile any brighter than that, Butterfly he called me butterfly again - he must be SATAN I may have to taste you tonight." Her large brown eyes looking into parts of me I did not want exposed just yet

"Mr. John Earl", "I'll decided when and if you taste any parts of this flower." ~~I would be~~ rising from the chair to move around a bit and give his eyes yet another glance at the mounds of tender Da. flesh that are my person. Turning around slowly to look at him ~~into his eyes~~ ~~I~~ scream I need you, I want you with my eyes - it worked! He responded by He pulling me into him, my face mashing on his chest, not very large but tight and round like ~~a~~ grapefruits. He takes both his hands to cradle my face and planted the most deadly kiss ON MY LIPS I'd ever felt. Passion seem to be racing through our tounges, our bodies tense with lust. We kissed for what felt like a lifetime. I fell in Love with John Earl that night. When he released me I gazed into his eyes all the while ~~my~~ realizing all the eyes in the bar on us. - Jack Gibb, said something suddenly the words come out "Its be nice to strangers night" and to the welcoming committee, "Welcome to Albany, the Good Life City." He gazed into my eyes with the biggest grin on his face, kinda like what the female spider must look like to the male, after mating you know, just before she kills and eats him. Then he spoke and my whole existence changed.

"I'd like to take you out to eat some breakfast, and hopefully you'll spend the night with me".
"Not because you're buying me breakfast" my immaturity showing I was only 19.
"My intentions are honorable Butterfly, I may not be able to keep my eyes and lips off you, but I am - only Human. "Run girl", "Run Quickly", "girl", "go home to your momma." This is Satan himself. My conscience kept screaming but I wasn't thinking from that head, so I ignored the warning. "I'll hold you to that Mr. Man. Turning to face the room full of girls that @ the time were my ~~foes~~ competition and ~~enemies~~ enemies. Daniel my bestest girlfriend pulled me aside and said "Girl I know you're leaving, and I don't blame you!" "Be careful." Girl you know me! "Yeah, but the way these bitches looking @ you I hope you can get out of here safely.
Girl these hoes would want to turn up and give a bitch room. OK - OK, later girl. Leaving Daniels fixed the air on both sides of Daniels face, took 5 steps placed my hand in Jah Cari's and began my exit.

I could hear various comments as I left the bar with my new found demonic lover. Bitch / OK she did that / Slut / Who's that with MS TONI, and some girl who was giving a dissitation about how I was always snatching up the fine men as soon as they got into town. I turned to look in her direction, and as we exited I blinked and blew her a kiss.

John Earl seemed to be on a cloud, his long limbs gliding down the street with me skipping alongside him hand in hand. Suddenly a car pulls around the corner and a large dark man jumps out of the passenger side. I jumped up on the curve, John Earl just kinda stopped as though bracing himself for trouble. "Bay Boy", "Whats up, you don't know your cousin or what niggah". Donny, ~~tried to play the dozens~~ what's up? BABE → DONT YOU EVER PULL UP TO ME IN NO DAMN CAR GOING THAT DAMN FAST HE STOPS SOMEBODY HERE I CAN FINISH He grabs me into the folds of his large body I felt alarmed, but I didnt know why?

"Who Dis", Donny said referring to John Earl. John Earl didnt look pleased @ being refered to as "Dis". He extended his hand,

what's up Man, I interupted and said, "Danny, this is John Earl, we're going to IHOP to have some pancakes.
"I'll gonna drop you off @ the house afterwards?"
John Earl started to laugh and Danny's body language changed. Suddenly the lights in the car Danny was riding shut off as did the motor; then all the doors popped open and 4 of Danny's best buddies emerged. Big niggahs. What up Red?
(how you doing)
Baby boy, I'll tell you what boy you better watch me too my niggah, The other guy just looked @ John Earl with disgust. Danny had plumped back in one leg and had both fist balled. "What the fuck is yo dumn funny."
John Earl looked @ the 5 guys with no fear and replied "If I'm taking him out for breakfast, of course I'm going to bring him home afterwards."
Niggah - I do don't know you, and this is bloods, reaching to grab me around the wrist while pulling me close to the side of he and his buddies. One of the guys moves up behind me pressing his crotch into my behind. I could feel him grow hard. Without ever turning around I knew who it was.

I didn't like this situation.

"Bulldog, get you shit off my ass."

Danny turns and glares @ Bulldog who responds.
Bulldog realizing if he does not say something the situation could get out of hand
"Man, look I don't blame this mane, ~~[illegible]~~ Baby boy grown now, my nigga" "And fat too." "Shit you better watch me!" Danny cuts his confession off "Nigga, how you sound, talking bout doing my baby cousin, with your old ass.

Man I'm your friend, that why I'm letting you know up front.
~~[illegible]~~ Baby boy got it going on!!

The other guys relax, and move back towards the car but don't get back in. Bulldog steps forward to shake John Earl's hand.

"Take good care of our boy - ah John Earl."

Bulldog turns passing me and Danny, who still has his hand around my waist I'm blushing @ the same time, I'm still not totally relaxed. I've seen Danny beat niggahs down for less than this. We have history. Bulldog winks @ me and Danny licks him with his tut

"Nigga get your JUDAS ass in the car" the hounds cat
Bulldog shes he MAKES his WAY to the CAR
@ grinning a sly grin and winking @ me.

Danny, look we just going to get pancakes, then I'm going home." He takes his eyes off John Earl just long enough to flash me a big bright smile "I know Cous" "I just don't trust this NIGGAH"! Turning to assume glaring @ John Earl. John Earl is looking @ me in that way, and I automatic detach myself from Danny and throw myself into John Earl's arms. He smiles and lets his hands liberally run over my body while hugging me close to the bass drum of a chest. Bulldog sees this and yells from the car, where he has lit up a blunt, "John Earl got the right idea, ah-IRGHT my nigga." John Earl responds "See, my brotha understands". This pisses Danny off, again, he makes reference to John Earl's age. "What am old dog like you gonna do with tender vittles like this." John Earl looks @ Danny quite perturbed, Danny is still pointing @ me and waiting for a response.

Sounds like you Jealous to me MY BRO THA!

OH shit, I stop and turn slowly to look @ Danny's expression. The fellas in the back are passing the blount and laughing, most of them are just kinda

snickering, with the exception ~~5:00pm scheduled 6:07pm~~ of Bulldog who is really cracking up. ~~meeting started~~ Danny moves towards John Earl, Bulldog ~~out of the car~~ and the other ~~Fumble out of the car falling over each other in an attempt to~~ ~~move to stop him~~, but I step in front of him and put and end to this Shit. "Danny, man Damn, you acting like I'm some wet behind the ears newborn faggot still smelling himself." "Man I can take care me"!

"And if John Earl can't I can Baby" Bulldog whispers, standing next to me and Danny. I laugh and jokingly punch him in the stomach. Danny directs his attention to our ribbing eachother. Bulldog grabs my hand the second time I try and jab him and places it on his crotch. "You dirty bastard." Danny starts to hit him with his left again.

"Two dirty Old Bastards @ my cous!" I turn and go back to John Earl's side. The situation has finally been defused. The fellas load the car up, smoke billowing from the windows. Danny hangs out the window as the driver pulls the car around and stops even with us.

"Man make sure you take good care of my cous, this Nigga's Blood", pulling me towards him for yet

another bear hug.
"I intend too, my brother", they shake on that, Danny cradles my face with one hand before the driver floors it to the corner. I hear Bulldog playing "Man, you better watch me, I ain't gonna be no Gentlemen like John Earl." "I'm be the freak of the century with that pretty red ass boy." Before he can continue, Danny takes his hat off and begins reprimanding Bulldog again.
"You old dirty bastard, trying to get with my damn cousin!" "Nigga I believe you got some Negro in your blood."
We all do my NIGGAH, we all DO.

Macon – Middle, Ga., The air wasn't as thick as it was in South Ga., but it was still hot as HELL. Or@ least, hotter than what folks say HELL could be. I was glad to be with John Earl, but I also missed home. My mother reluctantly let me go, my daddy had a long talk with John Earl while I packed just a portion of my extensive wardrobe. Momma promised to keep the rest of the kids out of my things. I kissed her with a tear in my eye told her not to worry, I would return home @ the first sign of trouble. John Earl let me drive his Toyota land cruiser upto Macon. The whole trip up there he kept telling me how much he missed me while he was in Florida. Said he couldn't wait till we got home to show me what all he'd bought me. I was so excited I crossed 2 lanes and almost caused a pile up.

I keep thinking to myself I need to get out more, be more visible in the community - but I'm an artist, known to have mood swings, fits of creative genius, and weeks of attitude that can only be compared with water retention and other symptoms associated with menstrating - I'm on my period! You'll have to excuse me.

I sat there "perched" in my bell bottomed blue jeans and a pink polyester shirt - "Chilling" - joint in one hand pen in the other, recording the latest happenings through the eyes of a Punk essentialist. My best friend came over on Friday, we were going out for our usually, $1.50 Movie and dinner at the IHOP. It is there that he informs me that I need to stop being a CAVE dweller and get out with someone other than him. And would I please Consider coming out of 70's and attempt to live in the 90's

DICKS

Start out by passing out either small plastic or paper dicks

Hold it in your hand - Can you feel their power?

My obsession started very early on in life - with dicks. I remember standing @ the urinal in the boys bathroom ~~and~~ or with my classmates, we all examined eachother DICKS. We didnt actually acknowledge this until about the 3rd grade, we then went about comparing sizes and amounts of hair around them - ball sizes, pissing ability - ~~distance~~ distance, time and accuracy. It was all about the DICK. I guess the only reason the fellas didnt give me a hard time about being nelly is because I was in the TOPS as far as size in my class - didnt have much hair but I was not lacking in the size department. I had yesterday discovered the power of THE DICK in First grade. I held my hand up and Mrs. Williams my first grade teacher and a Goddess ask me what I needed. I responded I need to go to the restroom. She excused me and I entered that room and was immediately overcome by that intoxicating

smell of concrete freshly splashed with urine. I wonder around from urinal to urinal, touching the porcelain, cold and unresponsive, running my hands around the plumbing steel pipes - I became excited, and erection. I began to talk to my DICK AHA, this place gets to you; don't it BOY. Water stirred in my bowels - I needed relief. I approached the last stall ready to let her RIP, and there sat Larry Dixon - the biggest meanest White Boy in first grade. He sat there on his throne getting rid of not of the lunches he'd stolen from kids smaller than him in the lunchroom; they were less likely to try and fight. WELL my DICK had a mind of its own, crouched to the left side and tilted upwards; it began to spray first the way then Larry with a hot steady stream of PISS. Boy that Larry freaked. He kept calling me all sorts of names, NIGGER, FAGGOT, crazy ass son of a BITCH and my all time favorite DICKHEAD. WELL I scared old Boy pretty good, and gave me my first real understanding of the power a DICK posses. Not to mention it's curiosity

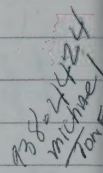
I sat there as she fed him spoonfuls of mashed potatoes and gravy - Beside these @ home - I ain't gonna let my baby just disappear. She filled the spoon to the brim and chastized him when he protested about the large spoon fulls of potatoes being pushed towards his mouth - with Love and Care mind you. She is her mother, he is my mentor



SHE Gave me WINGS

Sunday September 18 95

I GOT WINGS

I outran, outjumped, outswam and overall outclassed all the little boys in the neighborhood and most of the little girls. I probably would still been there, back in my old neighborhood, [redacted] the same folk today had it not been for my "Grandmother."

She gave me wings, or maybe I should say she helped me realize I had them. I don't think Grandma knew exactly what to do for me, but because she loved me she knew she had to give me something. I sat on the front stoop of her old Shotgun row house on 16th Street in Cordelle, Ga. - watermelon capital of the world, sewing on a stalk of sugarcane and playing with doodlebugs and boll weevils, & I caught around the house and in the fields. The air was alive with the smell of freshcut grass and cow manure from the local farmers pasture. King and mutt, grandpa's "yard dogs" - MORE LIKE ALARMS came out from under the house like their souls were on fire, yelping and barking a loud thunderous chorus. I didn't have to look up to know who was coming. It was none other than the Gang "The Hobo Kilroys" they dubbed themselves that summer.

There were 5 of them and I made six. Snowball was the undisputed leader - dark as a moonless night, tall for his 9yrs., and mean as a cornered rattlesnake ~~when~~ ~~you~~ if you made him mad. Then there was Peanut, dirt poor and sweet as molasses. He wasn't much on looks, but he was the most gentle of the 5 and quite a charmer. Alvin and Calvin were twins from one of the more prosperous ~~colored~~ BLACK families in the county, they were cute as buttons, but did not trust anyone but each other, that bourgeoise family had planted those seeds early on. Curtis was a CHUBBY little guy with a big smile, always had something in his hands or pockets to snack on. Next to me he was the most addicted. Then of course there was me TONI, the most obnoxious looking 7yr. old in the county

What would a poem look like if didnt reflect you?

If it didnt tell stories of your childhood, didnt reflect your nurturing or lack there of

Idad no recollection of your achievements, no reflection of your familys influence

(Would it still be a poem, would you be a poet)

What would a poem look like if you never imagined yourself in situations you've only heard about if you never told about your first love, your first good lay, OH if you never even went there if you never make confessions like bedwetting, drug experimentation, having temporarily hated MOTHER, considered being ATHEIST, or stolen something from the corner market

Idad never thought of life without the constants; if the sun didnt rise, if the moon didnt glow, if time stood still, if earth flowed and you could walk on water, if you could see sounds, and hear visions, if your dreams became your realities, and we gave birth to our parents

What would a poem look like if it didnt reflect you?

If you never took a minute to get preachy, be political, stick your neck out on limb say things you know are going to make folk upset and not care

Idad no regard for the sanctity of the process

What would a poem look like if you never examined why you are an artist, why you are black, why you are gay, why you are a top or bottom, why labels are so important, what is the meaning,

of life, and why we must die.

Today is the first day of the retreat for ADOA Muse in the year 2000. We are now a trio bound by love and art. Our members are Malik Williams, Anthony Antoine (ME Williams) and I, Duncan Eric League. I write in this book in awe and wonder of the man who founded us and who began this written history of our beginnings. Tony Daniels is no longer with us physically and I feel the tug of grief as I write this. Tony died a week after Memorial Day 1998. The new ADOA Muse performed almost exactly on the second anniversary of his passing.

We are here at the Hyatt Suites in Marietta where we will spend the night and try to come to agreement about who we are and what are collective intentions as the ADOA Muse of this new century.

I am writing by the pool here under the half moon. We all were just checking in with each other. That has taken the half of the day as we each shared our honest and open perceptions about where we are. There was an understood confidentiality so I cannot dare put details here.

I will simply say that the fear of our own power and success is expressed by each of us in different styles and degrees. We each share and believe in our collective power, though the fear is present. I am humbled but affirmed to still be in ADOA Muse.

I feel an obligation to write because I am the Senior Muse at this point. I am the third person to be apart of this group in its founding after Tony and Jerek Cooper. I know it is not a violation to continue this journal but it is an act of bravery to continue performing writing and being an ADOA Muse since Tony's death. We will, however, continue as true quests.

May the spirits that founded us sustain us.
